ANNOUNCEMENT

IN PRESENTING THIS CATALOG of our joint public sale, we do so with full assurance that the cattle we are offering are worthy the attention of the most critical Short Horn breeders. The pedigrees will show the cattle to be a very fashionably bred lot, the greater part of them of the best Scotch or Cruickshank extraction. All lovers of good cattle are cordially invited to the sale, and those who come expecting to see a good, useful lot of cattle will not be disappointed. The offering contains Duchess of Glosters, Brawith Buds, Princess Royals, Generosities, Gwendolines, Secrets, Dorothys, Clementines, Butterflies, Red Roses, and a few Rose of Sharons and Young Marys. These cattle are all young, and were nearly all bred by us. The sale contains 18 head of coming one and two year old heifers, and 8 cows. The 18 bulls are all young. These are straight Scotch in breeding. Anyone wanting a bull for next year's breeding, can't afford to miss this sale. Don't wait until they are all picked up and then pay double for them. Come and see them—they won't disappoint you. Solid colors—Red, White and Roan.

We believe every animal cataloged to be a breeder, but assume no liability for loss or damage of any kind while the individuals are in the hands of the purchaser. Cows sold with calves at foot or showing safe in calf, are considered breeders, and we will place no further guarantee on same but cows lately bred and open heifers of breeding age must be producers. But, on failure to breed, after proper trial by purchasers, the same may be returned to us and

we reserve the right of six months trial, and then, if same does not prove a breeder, we will refund the money.

Bulls will be guaranteed breeders if proper care is given and same are not allowed to run at large with breeding herd. In case an animal does not prove a breeder, we must be notified within six months from time of purchase, then same may be returned to us, but must be in as good condition as when purchased. We reserve the right of four months' trial. If they fail to breed for us, we will refund the money or replace the animal.

We will keep cattle, purchased by buyers in quarantined districts, free of charge until quarantine is lifted.

Stock will be placed on cars, free of charge at Ainsworth, but will be at owners risk as soon as bid off.

Terms cash, or a year's time at 7 per cent. interest.

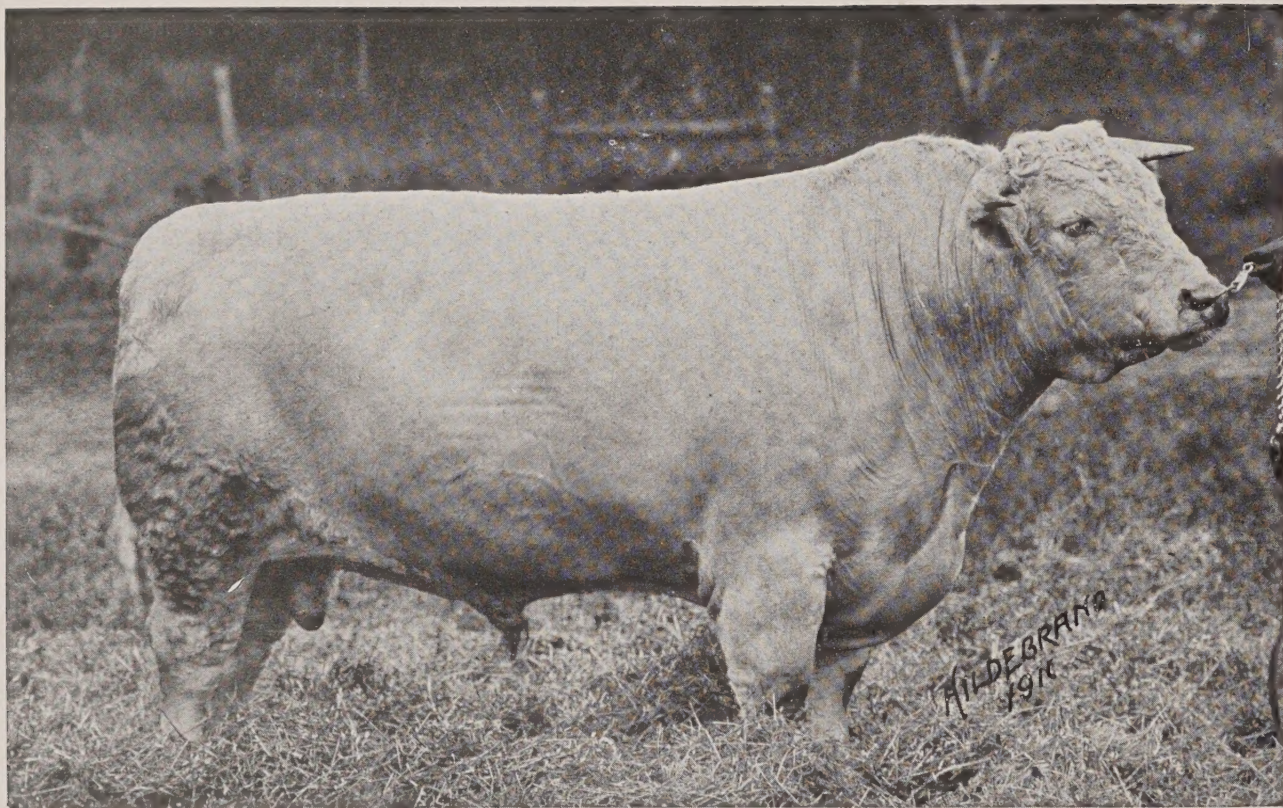

Those desiring credit, and not known to us, should bring bank references. Arrangements can be made, before beginning of sale, with clerk.

Bids by mail or telegraph sent to auctioneers, in our care, will be fairly dealt with.

Those from a distance will be cared for at the hotels in Ainsworth. Trains each way, both morning and evening, on the Rock Island R. R. Lunch at noon. Sale commences promptly at one o'clock. Farm located one half mile east of town. Free conveyances to and from sale. Please bring this catalog to the sale.

Cruickshank's Butterflies—are well known as among the best of the Scotch families. They have produced many excellent cattle and are highly prized by their owners. Sanders' History says: "Strawberry was bought by Mr. Cruickshank about 1847. From her daughter Bounty was produced Buttercup called one of the very finest cows ever seen at Sittyton. The original Butterfly, by Matadore, proved long-lived and produced many calves, among which was Lord Byron and Royal Fourth, both of which were used in the herd."

Imp. Princess Alice—made a show yard record with which most breeders are familiar, and has since been a splendid breeder and an exceptional milker. She was sold in January, 1895, to Col. T. S. Moberly for \$800. Queen of Hearts was the only cow which Col. Harris reserved in his closing out sale. Fairy Queen as a yearling in 1891, was first in her class at Topeka and Kansas City fairs, and was sweepstakes female at the latter place, right from the pasture. Young Marshall, a son of Princess Alice, was first prize yearling at Kansas City and several other fairs in 1892, and first prize two-year-old at the Columbian in 1893. Prince Royal, another son, was first prize yearling and sweepstakes bull at Kansas City in 1893. Other noted sons are Royal Hero, Alice's Prince, Prince Armour and Royal Knight.

Imp. Princess Alice made a show yard record with which most breeders are familiar, and has since been a splendid breeder and an exceptional milker. She was sold in January, 1895, to Col. T. S. Moberly for \$800. Queen of Hearts was the only cow which Col. Harris reserved in his closing out sale. Fairy Queen as a yearling in 1891, was first in her class at Topeka and Kansas City fairs, and was sweepstakes female at the latter place, right from the pasture. Young Marshall, a son of Princess Alice, was first prize yearling at Kansas City and several other fairs in 1892, and first prize two-year-old at the Columbian in 1893. Prince Royal, another son, was first prize yearling and sweepstakes bull at Kansas City in 1893. Other noted sons are Royal Hero, Alice's Prince, Prince Armour and Royal Knight.

Cruickshank's Brawith Bud Family—has produced many excellent cattle. They are descended from Pure Gold, a cow which cost Mr. Cruickshank 90 guineas when five years old. She was often exhibited and was a great prize winner. Her daughter, Golden Days, was a great milker and a grand breeder. Old Brawith Bud sold for 160 guineas in 1841, and produced calves until 18 years old. She was regarded by Mr. Cruickshank as one of the most remarkable cows he had ever seen.

The Callant 304330—a white of January 12, 1908; bred by Carpenter & Ross, of Mansfield, Ohio, is one of the best sons of the great Avondale 245144, who did such excellent service in the Carpenter & Ross herd, and whose show yard career is familiar to everyone. The Callant is a most perfect specimen of the old tried and true Bruce Rosewood tribe, his dam being Imp. Rosewood Pride by Mr. Duthie's grand good bull Pride's Farewell (84350). The grand dam being Imp. Rosewood 86th by the Duthie bull, Pride of Day. The next eight cows running from Rosewood 81st to Rosewood 1st all bred by Mr. J. Bruce, while six of the sires were of Mr. A. Cruickshank's own breeding. A better pedigree and a better bull is hard to find and his progeny give promise to rival that of his grandsire, Mr. Kelly's Whitehall Sultan.
